Beat Me GO!

Final – Software Production Support FAQ

Date: 12-14-2017

GROUP-1
SRUTHI BEHARA (23597470)
BHAUTIK BHANANI (23719763)

Q1. What is BEAT ME GO!

A. Beat me go is real time multiplayer PvP game. Collect trophies and reach the top of leaderboard.

Q2. Why should I login with my google account?

A. The game works on google play services and since it is a real time multi player game the functionality of the multi-player game needs the player to login with the google account.

Q3. Is it possible to switch accounts?

A. Yes, Initially the player has to logout of the currently logged in google account. For this the player must open settings on the app and click on the connected option. Then select disconnect option which takes you back to the login page where you can choose your google account. But when the player switches their accounts the player profile, player score and the username will be changed.

Q4. Is this game completely free on the appstore?

A. The game is totally free to play.

Q5. I'm having problem with beat me go can u help?

A. Please add over to [support mail](#) or support@beatmego.com for assistance with any problems having with BEAT ME GO!
